The Shrine sits close by beautiful Lake Champlain on Isle La Motte, in Vermont's scenic "Island County", Grand Isle. The Shrine is on the site of Fort St. Anne, Vermont's oldest settlement, constructed in 1666, where the first Mass in the region was celebrated. Though the Fort itself was short lived, the site continued to be a favorite stopping place for Lake Champlain travelers in the succeeding years of war and peace. Interesting relics of those historic days are on display at the Shrine.

The Shrine sits close by beautiful Lake Champlain on Isle La Motte, in Vermont's scenic "Island County", Grand Isle. The Shrine is on the site of Fort St. Anne, Vermont's oldest settlement, constructed in 1666, where the first Mass in the region was celebrated.

Though the Fort itself was short lived, the site continued to be a favorite stopping place for Lake Champlain travelers in the succeeding years of war and peace. Interesting relics of those historic days are on display at the Shrine.

## The Lake Champlain Islands businesses are open for business – safely!

Welcome to our little piece of paradise. The quiet relaxing lifestyle is the perfect setting for an outdoor vacation in a safe and healthy environment.

The Islands businesses have welcomed visitors for over a century for the lake experience, and we still are! We have an abundance of recreational activities; boating, fishing, swimming and hiking. Ice skating and fishing in winter months and peace and quiet all year.

We want you to stay safe and healthy so that you can enjoy our lakeside community again and again.

*Welcome to our world, where New England borders on  
Lake Champlain, Canada and perfection!*
